Re: Open Call for tender for website development, maintenance services and web hosting - result

On September 9th 2021 Penta launched an Open Call for tender for web agencies to provide **website development and maintenance services and, web hosting**. The Call text was published in the Penta website <https://penta-id.org/website-development-and-maintenance-services> and disseminate through social media and direct email.

The call closed on September 23rd. 2 applications were submitted.

Decision

The Commission awarded the contract to Open Comunicazione, as this proposal offers best value for money.
