Re: Results of the Call for tenders: Provision of video production services to promote the NeolPC project activities

On 31 March 2023, Penta launched an Open Call for tenders for the video production services to promote the NeolPC project activities. The Call text was made available on Penta's website: <https://penta-id.org/work-with-us/call-for-services/> and shared through social media and direct email.

The Call for tenders closed on 10 May 2023. A total of 7 applications were received.

Decision

Following the evaluation criteria outlined in the Call for tenders, the Commission has awarded the service contract to **Picturing Health**. Their proposal was deemed the most original and in line with the objectives of the NeolPC project and Penta's style; to have the best value for money; and finally, Picturing Health has extensive experience in patient communication within research studies.
