The deadline for the submission of tenders was the 31st of July, 2024. Penta has received a joint application from two distinguished experts.

Decision:

In accordance with the evaluation criteria stipulated in the Call for tenders, the Commission is pleased to announce the award of the service contract to:

Dr. Lisa Frigati and,

Despite receiving a single application, the Commission was impressed by the exceptional caliber of the candidates, their joint proposal presented a well-structured and feasible training plan, further enhanced by the candidates' remarkable expertise which earned them the maximum available score.
